CORE

Thursday, 12th September 2024

Location: “Friedenssaal” of the Ministry of Agriculture, Environment and Climate Protection
Lindenstraße 34a, 14467 Potsdam (Germany)

9:00 – 10:30

Policy Improvement Seminar

The policy improvement goal of the project – and the different meanings of this term – will be reviewed.

The partners will also share the state of their developments in this regard through dedicated presentations and providing details, given the fact that Interreg Europe will request very soon information about achievements in this regard (a PPT template will be provided to partners to facilitate their presentations in this regard).

Finally, the partner organizations will debate/ discuss /project /advice each other with regard to the expected/in progress achievements.

10:30 – 12:30

CORE Steering Committee 4

• **Project administration:**

- ✓ PR 3 in preparation, to be submitted the 1st December 2024.
- ✓ Budget execution: revision

• **Follow-up of technical contents:**

- ✓ Good Practices selected to be published in CORE website:
- ✓ Fixing of the topics for the following 2 seminars: revision and decision making (bring suggestions!)
- ✓ Stakeholder Groups, In-House Meetings
- ✓ Policy Improvements (transfers) in progress
- ✓ Possible future Pilot Actions.
- ✓ Participation in the Policy Learning Platforms

• **Follow-up of Communication:**

- ✓ ECN review of communication:
- ✓ Partners share their Local Communication Actions developed/ in progress/ in planning.

• **Dating of next Interregional Meetings:**

- ✓ Thematic Seminar and Study Visit in Hungary (semester 5)
- ✓ Thematic Seminar and Study Visit in Sweden (semester 6)

**12:30 h
End of the Meeting**

Remember it is compulsory all the partner organizations having 1 person representative of the team in day 3, for the policy improvement seminar and the steering committee, which are both compulsory sessions needing of the project coordinator of each team (more can attend, but only 1 is indispensable/ needed/ required).

The stakeholders and other technical staff are not requested for day 3.
